Dear Nick:

On March 11, 2005 we mailed the Response to Non-Compliant Amendment dated February 15, 2005. On April 6, 2005 we received the original response in our mail from the U.S. Post Office (in error). On April 6, 2005, I spoke with Wanda Lawson, Legal Instruments Examiner at the U.S. Patent Office and she instructed me to resubmit this Response to the USPTO with a copy of the return envelope from the U.S. Post Office.

Attached are the original Response mailed on March 11, 2005 and a copy of the return envelope date-stamped April 6, 2005.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16, 1.17 and 1.18 which may be required during the entire pendency of the application, or credit any overpayment, to Deposit Account No. 501050. This authorization also hereby includes a request for any extensions of time of the appropriate length required upon the filing of any reply during the entire prosecution of this application. *A copy of this letter is enclosed.*

Very truly yours,
